Red Patch Brag Vests

These red vests are being provided to you by the pack and several enthusiastic sewing volunteers. Please thank Corrina Phillips, Ann Aas, Laurel Schnabel, Tondi Schoepp, Kathy Olmsted and Mary Severson next time you see them.

This vest is for all the patches that your son has collected that are not part of the official Cub Scout uniform. This includes things like Day Camp, Arbor Day or 4th of July patches, and Academics and Sports pins.

Good Turn for America patch goes on the red vest. The 2004 strip goes below the "For".
